CLAYMONT COURT SEMINARS COVID POLICY- 2022

Claymont Staff:

Claymont wants to provide as safe an environment as reasonably possible for the participants. In this time of COVID, there will always be some degree of risk of infection. The protocols aim at managing this risk for our staff at Claymont and all participants attending seminars. As part of Claymont’s safety protocols all bathrooms will be sanitized each day. Hand sanitizer will be available throughout the buildings.

All Claymont staff is required to be fully vaccinated.

Guests:
Participants will honor all protocols established by Claymont for persons participating in retreats.

Claymont requires all guests to be fully vaccinated to attend a seminar or retreat. Guests must show proof of vaccination on or before arrival. All guests must obtain a Covid test with 48 hours of arrival. Proof of negative test must be submitted on or before arrival.

Any guest who cannot be vaccinated must show proof of a medical exemption prior to arrival.

Claymont may require wearing masks indoors. This protocol will be based on current CDC recommendations. Wearing of masks in one’s private room or outside is not required.

POST CONFERENCE INFORMATION SHARING:
Any guest who tests positive for COVID once returning home will please notify the Claymont office.
